## Affiliated Schools

Chuo University is a comprehensive university with 4 affiliated high schools and 2 affiliated junior high schools. Located both in the center of Tokyo and in suburban areas, these affiliated schools nurture many students who move on to study at Chuo University. There are multiple curricula providing a wide variety of courses and languages, extracurricular and club activities, as well as study abroad and career training programs that put an emphasis on balanced education, encouraging the students' independence and self-motivated learning.
